eEuroparts.com® I have a 2001 A4 2.8 that I recently  
bought in December. It had 120k miles and overall  
seemed to be well maintained with every single option

available. I have done some work on the car already (coolant temp sensor, rear wheel bearing, coolant flush, etc) and I recommend looking for the following. Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.
