The Unfinished Hero Series is very new (first book published in April 2012) and as yet, I have not quite decided how many books will make up this series. At the very least, it will be three. Perhaps five. However, these stories will be interweaving. They are also not my usual steamy romances, they are erotic romances. Not erotica, as such, but ... Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the

weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).
