The ABSITE is furnished to program directors as a formative evaluation instrument to assess residents' progress. The results are released only to program directors. It is

not available to individuals and is not required as part of the board certification process. The ABSITE is administered online using each program's own computer facilities. ABS In-Training Examination | American Board of Surgery Abstract: "Fiser's ABSITE Review was the first preparatory book written in outline style and surprisingly continues to be the only book of success in the market written in this style (most are Q/A). All facets of the test are covered, from basic science to clinical knowledge in general surgery as well as the surgical subspecialties.
