What's remarkable about her is that she shares her story with the class simply, with a kind of wonder and interest, as if it were not her own. In fact, Thassa finds delight, awe, and beauty in almost everything: her journal entries and stories charm everyone in the class, as does her person: "she shouldn't even be pretty, except for the conspiracy of delight rounding her cheeks." Generosity: An Enhancement By Richard Powers - California ... Generosity: An Enhancement is the tenth novel by American author Richard Powers. Like other Powers novels it is idea-driven, strongly focusing on social alienation and scientific progress. The

novel employs metafiction, including real-time intrusions by the narrator who explicitly sets the novel in a "parallel" Chicago. Generosity tells the story of Thassadit "Thassa" Amzwar, an Algerian refugee who seemingly has overwhelming happiness written in her genes, and the confounding effects she has on
