The people who worked full-time for the prewar political machines (mostly local, urban political party organizations run by a 'boss' were simply... Were urban political machines evil? - Answers bureaucratic. This encouraged organized groups, called political machines, to take control of local governments. The machines stayed in power because they were well-organized and they got things done, sometimes legally, frequently illegally. A typical machine organized the city into small voting districts, each headed by a district leader or boss. THE WORKINGS OF A POLITICAL MACHINE Political parties are enduring organizations under whose labels candidates seek and hold elective offices (Epstein, 1986). Parties develop and implement rules governing elections. They help organize government leadership (Key Jr., 1964). Political parties have been likened to public utilities, such as water and power companies, because they provide vital services for a democracy. 10.1 History of American Political Parties – American ... A political machine is a party organization that recruits its members by the use of tangible incentives—money, political jobs—and that is characterized by a high degree of leadership control over member activity. Political machines started as grass roots organizations to gain the patronage needed to win the modern election.
