The English/Language Arts curriculum in 7th grade is based on knowledge and application of skills in reading, writing, speaking, and listening. Students will read world literature and informative works. Independent reading is expected of each student. Student Development / Grade 7 Language development in humans is a process starting early in life. Infants start without knowing a language, yet by 10 months, babies can distinguish speech sounds and engage in babbling. Some research has shown that the earliest learning begins in utero when the fetus starts to recognize the sounds and speech patterns of its mother's voice and differentiate them from other sounds after birth.
